2016 Skilled Trades Training Fund (STTF) Information Sessions

The Skilled Trades Training Fund (STTF) provides competitive awards for employer responsive training that enhances talent, productivity, and employment retention, while increasing the quality and competitiveness of Michigan's businesses. The STTF ensures Michigan's employers have access to the talent they need to compete and grow, and individuals have the skills they need for in-demand jobs.

In collaboration with economic development, and education partners, GST Michigan Works! is presenting STTF EMPLOYER INFORMATION SESSIONS.
