Gemini Group Trains 9 HR Staff Through Grant

The Gemini Group trained nine HR staff members in a Payroll Law class through the 2018 The Skilled Trades Training Fund (STTF) Grant. The STTF awards grants to employers to assist in training, developing and retaining current employees and individuals to be hired. Training is customized to meet employee skill requirements and is short-term in duration, preferably less than three months, with no training extending more than six months.

This brought The Gemini Group staff up to speed on an ever-changing and complex field to avoid error in a job where you cannot afford to make mistakes.

Read some testimonials from staff below on the training they received.

"The instructor was organized & presented the information well! One of the better instructors I've heard cover payroll law topics!"

–Cheryl Bresky

"I learned new information on the tax forms and I-9 forms. Good information to pass along to others on the HR team!"
