

OCTOBER 1, 2019

Learn & Earn Opening Day Training

The WIOA summer p[rogram kicked offwith a traininig at the SRESD on July 9th. Students participated i hands-on activities desgined to prepare themfor the summer work experiences. Sudents learned how to be successful on the job through good attendance, a positive attitude, and hard work. Other topics invluded worksite safety, completing job applications and filling out timesheets. Guest speakers from Michigan Rehabilitation Services discussed their employment services and how they can assist students after they graudate.

Students then participated in Reality Store, a real-life simulation gameThe students where they learn how their education, career, life choices, and financies impact their future. The students completed training excited to start their 5 week summer work experiences. Thank you to all of our summer employers for providing positive learning experiences for all of our students.
