BACKGROUND:

GST Michigan Works! enrolls eligible youth into training programs under the Workforce Investment Opportunity Act. Youth under the age of 18 years old (minors) must have authorization from a parent, legal guardian or other responsible adult, to enroll. Local Michigan Works agencies shall create a policy that defines the definition of "Other Responsible Adult".

The definition of "Other Responsible Adult" may include:

- A relative with whom the individual resides,
- An adult who has been delegated custodial or administrative responsibilities in writing, either temporarily or permanently, by parents or by an appropriate agency,
- Agency or organization representative who is in a position to know the individual's circumstances (i.e., that they could not get a parent's or guardian's signature authorizing participation), for example, a clergy person, a school teacher or other school official, a probation or other officer of the court, a foster parent;

- A representative of an agency which provided support services to the individual and who is aware of the individual's circumstances (i.e., that they cannot get a parent's or guardian's signature authorizing participation), for example, a social worker, a homeless shelter official, a child protective worker, a health clinic official; or
- All other cases with extenuating circumstances of "Other Responsible Adults" must be submitted and approved through the GST Administration Staff.
