

# BRICKLAYERS + ALLIED CRAFTWORKERS

## TRADE SUMMARY

Bricklayers construct walls, partitions, fireplaces, chimneys, and other structures from brick. They use other masonry materials such as concrete, cinder, or gypsum block, pre-cast panels made of brick, cement, tile, stone, marble, structural tile, or terra cotta. They also install the brick linings of individual kilns and furnaces. They understand and work from blueprints. They also use measuring, leveling and aligning tools to check their work.

# WHAT TO ANTICIPATE

Much of the work is outdoors and generally depends on suitable weather conditions. Active and often strenuous, with stooping and lifting. Prolonged standing required. Should have the ability to work at heights.

WRITTEN EXAM
